ORDER

While these cases were docketed with this Board's predecessor Interior Board of Contract Appeals, the parties reached a settlement agreement covering the six subject timber sales. At the parties' request, the undersigned entered a stipulated form of judgment in these appeals on November 15, 2006. On October 1, 2007, the appellant filed an unopposed motion to dismiss the appeals with prejudice advising the Board that the obligations specified in the settlement agreement and stipulated form of judgment had been met.

Accordingly, these appeals are **DISMISSED WITH PREJUDICE**.
